"It's Your Move"

Graduation 1994 . . . "Yesterday's Dreams, Tomorrow's Reality"

Valedictorian Carlean Gross

Salutatorian Triccia Hudson

Slaughter-Harvey urges graduates to exercise their right to vote. "Give yourself the most precious gift, the right to vote," said the Honorable Constance Slaughter-Harvey to the more than hundred graduates of Coahoma Community College's Class of 1994.

Slaughter-Harvey is the assistant Secretary of State of Mississippi, in charge of Elections. As an expert in voter registration, the assistant secretary wanted the CCC graduates to afford themselves the opportunity of voting by officially registering. She brought with her from Jackson voter registration forms for each graduate.

The commencement speaker encouraged the graduates to stand up for their rights and "be heard with a difference." She noted the recent developments of voter rights in South Africa.

"Those people have waited 65 years for the right vote; we have the right to vote, but we don't always exercise it," she emphasized.

"Commencement exercises," stated Slaughter-Harvey, "is one of the most significant ceremonies" one can attend. "Today is about your march to power, fully equipped for your future."

Valedictorian Carlean Gross and Salutatorian Triccia Hudson led the way for 109 graduates of the Class of 1994 at Coahoma Community College Commencement Exercises Saturday morning at The Pinnacle.

Venessa Long, CCC, presents Mr. Walker a plaque of appreciation.

Better known as "Kid Dyn-o-mite," Jimmie Walker who appeared on the 1973-79 hit sitcom "Good Times," holds the CCC audience spellbound as he meanders through the crowd answering questions.

A Concerned Celebrity

The well-diversified comic talked about everything from politics to basic life and interacted with the audience by allowing them to ask questions.

Comedian Walker was an outgoing down-to-earth person who kept his audience in stitches. He came out and took charge. He started with a bang and ended with an explosion electrifying his audience with gestures and humor.

Walker doesn't consider himself an actor, he calls himself a writer. "Acting is difficult and there are enough actors' we need writers," stated Walker.

The dropout had a hard time writing and reading as a youth. He later went back to school and earned his GED. "Writers have power and they have a better chance at a career."

"You can have kids if you like, but when you have them, you have to raise them," stated the comedian.

Jimmie Walker also emphasized his views on schooling a child. "I don't blame the teachers if a child can't read, I blame the parents."

"Violence is in the streets in this country and I think if we can send troops to other countries, we should send troops to these towns to patrol the streets," stated the comedian.

A former postal worker, Walker left the post office to do stand-up comedy and was discovered at Budd Friedman's "Impro" in New York and the Manhattan African Room.

Jimmie Walker, 48 years old, loves writing, stand-up comedy, and touring 25-30 weeks per year.

Mr. Walker signs autographs for eager fan.

Walker speaks with the crowd.

President Presley, Vanessa Long, and Dr. Forche chat with Jimmie Walker before performance.

A Creed to Live By

Don't undermine your worth by comparing yourself with others. It is because we are different that each of us is special. Don't set your goals by what other people deem important. Only you know what is best for you. Don't take for granted the things closest to your heart. Cling to them as you would your life, for without them life is meaningless. Don't let your life slip through your fingers by living in the past, or for the future. By living your life one day at a time, you live all the days of your life. Don't give up when you still have something to give. Nothing is really over until the moment you stop trying. Don't be afraid to admit that you are less than perfect. It is this fragile thread that binds us to each other.

Don't be afraid to encounter risks. It is by taking chances that we learn how to be brave. Don't shut love out of your life by saying it's impossible to find. The quickest way to receive love is to give love; the fastest way to lose love is to hold it too tightly; and the best way to keep love is to give it wings. Don't dismiss your dreams. To be without dreams is to be without hope; to be without hope is to be without purpose. Don't run through life so fast that you forget not only where you've been but also where you're going. Life is not a race, but a journey to be savored each step of the way.

we are focused on a goal, and that goal is to do no less than second place in the north division. We're going to carry just 45 players on our roster, 14 were stated last year, and all of the offensive line are sophomores."

High hopes reign in the athletic department. Offensive guards Chris Johnson and David Marks, offensive tackles Contrassies Grayson and Frank Hamilin, center Maurice Dadd and tight end Kenneth Harris started last year. For the first time in memory, Coahoma has an all sophomore line with a sophomore quarterback Jamahl Barns who was among the state's leader in passing last year.

The CCC Tigers can do better, and they can do worse than last year. They beat East Central, their first win in more than 85 tries. But Coach Eubanks says that this team, will do better, a lot better.

"Our sophomores are pushing the team in practice. They want to win, and they want to win some of them in a big way. We've got a strong offensive line, and our defensive line is grounded in sophomores at both ends and the middle, we'll be a young backfield, but one that has good high school experience."

The defensive line will be centered by Billy Anderson at noseguard and Jimmy Kelly and Russell Smith at defensive end. Gerry Pope will back them up at linebacker and Brandon Rogers and Keith Phillips are in the backfield. All are sophomores.

Clarksdale High School's product Clarence Cocroft will probably start at linebacker, and Joshua Newson from Toledo, Ohio looks like he will become the fourth man on the defensive line. In the defensive backfield a trio of Bolivar County products will get a starting shot on the road opener against Jones Community College. Honathan Smith of Rosedale, Montrelli Finley of Shelby and Donte Harper who just finished an Army hitch from Shelby will get the call.

Coahoma plays Jones at Laurel Sept. 3. Jones, runner up to state and national champion Mississippi Delta Community College last year is picked to finish 18th in the nation this year. If Coahoma expects to finish in the top spots by year's end, it will have to climb over top five pick nationally Itawamba and 21st pick Northwest to do it.

"Three things have to happen for us to win," says the head coach, "be disciplined, be a team, stay focused on our goal. This first game will set the tone for the entire season. We'll play them one at a time, but we're counting on this first game, and the home opener against Northeast to launch our efforts."

Coach Alvin Jackson in his third year and Johnny Mitchell in his second join third year head coach Eubanks on the sidelines.

The Action Continues . . .

Despite the height, we have quickness, speed, defense, and shooters, says Morris.

Coach Ella Morris, who has formerly led her lady Tigers Basketball teams to national and regional championships, says this team has what it takes to be successful.

Four of the 15 players are returning sophomores: Gloria Bridgeman, guard; Adriane Hart, guard; Tameka Redd, center, and Tonya "Pokey" Norment, guard/forward. The freshman class is catching on quickly, and as the season progresses, they are expected to get better.

During practice, the Lady Tigers' coach has stressed the importance of good pressure; defense and good ball handling as well as quickness and speed to run the floor.

As part of the pressure defense, the Lady Tigers will go to a zone defense along with a tight man-to-man help defense. The coach also is looking for quick rebounding and getting the ball out for fast breaks.

On the offensive end, the Lady Tigers plan to run the ball. Fans can look for Bridgeman and Renecca Glenn (freshman guard) to do a lot of the ball handling. Glenn, point guard who helped Greenwood High to the state finals with a record of 31-1, averaged 10 points per game, 10 assists, and six steals.

Norment of Forest City, Arkansas. Lady Tigers' 1994 MVP averaging 22.5 points per game is expected to once again control the board for the Lady Tigers along with freshman Katrina Williams. Williams, a forward and center, also out of Forrest City, averaged 20 points per game, six blocks, and seven rebounds in high school.

Pimpton, a point and wing guard, averaged 15 points, six assists, and three steals in high school, whereas Frost, a guard and small forward, averaged 30 points, eight assists, and five rebounds.

"There is no short cut to winning, you got to be committed to excellence, and this is the only route to being a winner," states Coach Morris.

"I fit's going to happen, it's happening this year." That's how Coahoma/Agricultural High School football coach A. B. White sums up his expectations for the season. With 16 of his 20 returning letterman seniors, Coach White and his staff believes this is the year the Tigers have an honest shot at the District Three Championship.

"We're solid with proven experience at linebacker, running backs, and the offensive line says the third year head coach. Where we're hurting is at quarterback."

"Orlando looks real good in practice. He can throw well, something we need, but didn't do with Henderson. We're lucky because Randy (Barnett-a-senior), Danny (Artis-senior), and Niren (Gipson-senior) behind him, we should be able to establish a running game and have that passing option," said White.

Tigers should be strong on defense. The senior starters from last year include Lang at safety, Jamar Broom at linebacker, Chris Taylor cornerback, Cedric Moore end, Johnny Ellis noseguard, Jeffery Williams end, and Johnny Smith safety.

Add to that these juniors returning for their third year and it adds up to a defense that should make some stops — James Washington, Kendrick Youngblood, Corey Suggs, and Elzy Furdge.

On defense, look for Tigers to work out of a five man line with variations. Coach White says with the experience, he expects to show multiple sets, with a lot of stunting.

Offensively, the Tigers will run out of pro set with two running backs behind the quarterback and a wide out or wingback. White says that the Tigers should show a balanced running and passing attack, but will probably favor the rush early on until Lang gets accustomed to his new position.

On offense, the Tigers have a handful of two year players on the roster. Washington will start at guard, Marcus Matthews at the other guard, Youngblood at tight end, Archie Fowler at tackle, Jeffery Williams at end, and Lamarcus Webb at wide receiver.

"It's Your Move."

The Many Faces Of The President . . . "It's Your Move"

Life can be likened to a game of chess or a game of checkers. The moves you make in these games are crucial to whether you win or lose. So it is also with life — your moves or decisions that you make today can be the deciding factors in whether you achieve success and happiness or whether you are doomed to a life of failures and regrets. Therefore, the next move that you make in the game of life is very important.

Let's look at some factors to assist you in deciding your next move. First of all, decide what you want from life.

Do you want joy, love, success, fame and fortune?
Do you want peace, goodwill for all human kind?

Do we want happiness? Deep down within serenity? With each sunrise Success. In each facet of your life — Close and caring friends — Love that never ends. Special memories of all yesterdays A Bright today. With much to be thankful for, A path that leads to beautiful tomorrows and dreams, that do their best to come true.

After you decide this. The next move is yours. Consider these:

1. Strive to be the best — go for the gold.

Fredrick Douglass once said "Our destiny . . . is in our own hands. If we find we have to seek. If we succeed in the race of life, it must be our own energies, and our own exertions.

2. Keep Believing in Yourself.

You are your own greatest asset — there is nothing you cannot do. No one can keep you from dreaming your dreams, and only you can prevent them from coming true.

3. Always be true to yourself.

Trust yourself and believe that you are capable and deserve the best. Always listen to your heart. Don't ever forget you are a very special person.

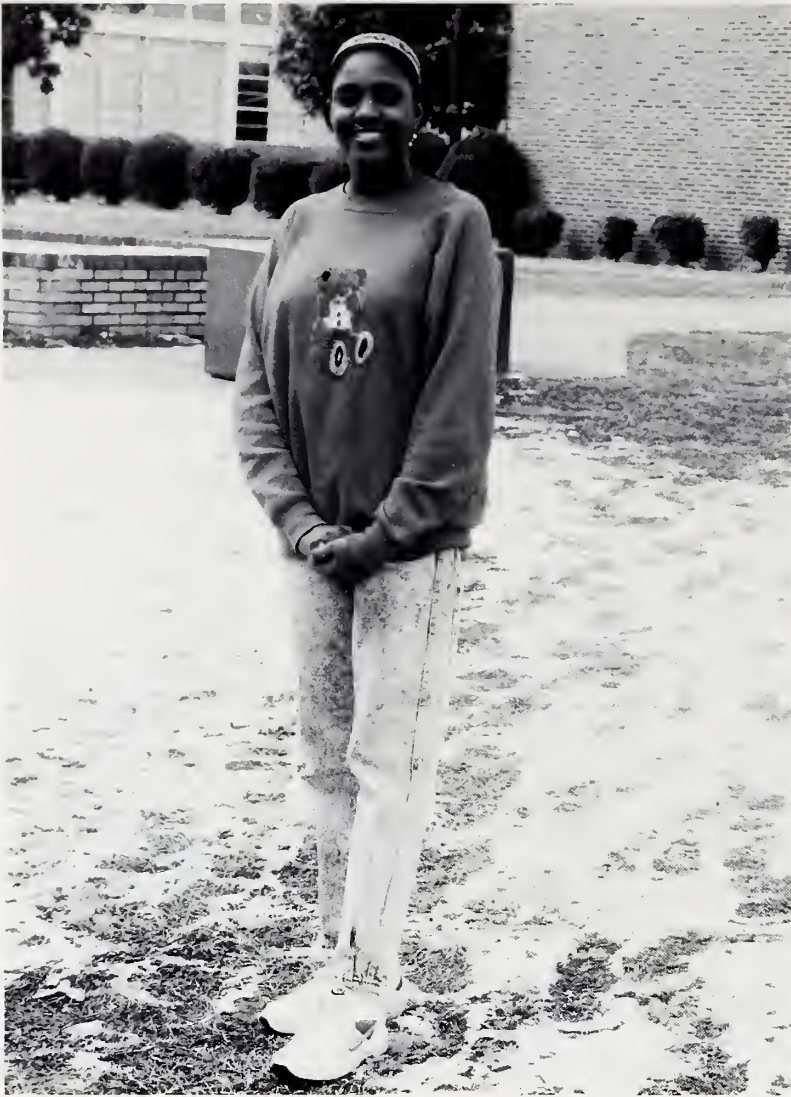

4. Always hold on to your dreams. Follow you heart and never surrender your dreams. Constantly work toward your goals. You can do it. You can reach that goal. You can make that new reality instead of accepting things the way they used to be.

5. Go after what you want in life. Never give up on who you think you can be. There is a lifetime of potential within you — justly waiting to be discovered.

IT'S YOUR MOVE — What will it be? Checkmate. I've made it or Checkmate — The game is now over and someone else decides your destiny.

This year has come to close! The Coahoman staff has tried its best to capture the incidents and college life here at Coahoma.

We have tried to picture the changes that have taken place in our theme "It's your move." It's our hope that the 1994-1995 Coahoma will bring you a feeling of great pleasure, pride, and entertainment for years to come.

I would like to take this time to thank you, the students, faculty and staff of Coahoma Community College and especially our wonderful staff Stephanie, Kimberly, Lillian, Carla, Tameka, Charles, Cedric and Cloretha for the long stimulating hours of work to make this years Yearbook a success.

Special thanks to our advisor Ms. Powell who allowed us to use our imagination in putting this yearbook together and our photographers Mr. Mayo, and Mr. Catchings.

As another year comes to an end, the Coahoma yearbook staff and sponsor complete another yearbook.

Working with our sponsor, the Coahoman staff has tried to capture the events and campus life at Coahoma Community College. We have tried to incorporate the moves that have been made here at Coahoma in our theme — "It's Your Move."

This year's goal was to leave you with a yearbook that will bring you joy, entertainment and fun memories that will endure for years to come.

I would like to thank the students, faculty, and the staff of Coahoma Community College, and also Mr. John Mayo and Mr. Troy Catchings, our photographers, and a special thanks to Miss Powell, who allowed us to express our own creativity in putting the Yearbook together. I wouldn't want to finish without thanking the Yearbook staff: Lillian Coley, Kim Cosby, Cloretha Morgan, Stephanie Leflore, Cynthia Smith, Charles Nolan, Cedric Tenner for their creative ideas toward the success of this year's yearbook.

I would like to leave you with this thought, "When opportunity comes, it is your move to make a move. Don't let it pass you by."
